**Business:**

- The FCWA Club House was named the Roy F. Gardner Building many years ago after one of the original founding members that took extraordinary steps to insure the ongoing survival of the Floyd County Wildlife Association. Floyd Farless took a moment at the Board Meeting to reflect on Mr. Gardner's contribution to the Club and that the plaque with his name had been damaged and removed many years ago.

Following this conversation Eddie Wallace made a motion that Floyd Farless would head the effort to replace the original plaque with approval to spend up to \$500 for this purpose. The motion was seconded by Ronnie Motes and vote taken. The motion was approved.

- Russell Rogers recommended Range Fees be established for the FCWA Archery Range. After conversation Bobby Bell made a motion that the daily range fee be \$6 for Club Members and \$10 for Guest. Also a club member could purchase an annual range pass for \$30. These fees are priced the same as the current pricing for the FCWA Rifle Range. Fletcher Christian seconded the motion and a vote was taken. The motion was approved.
- Warren reported 18 people attended the February Archery Match and the next match will be on March 27<sup>th</sup>. Warren also reported that the FCWA targets will need to be replaced later this year and new targets could be acquired for possibly \$7,000 to \$8,000. After discussion it was agreed to come back to the new target acquisition later this year.

- Mike Stover mentioned the CMP Match and Archery Match are on the same day this month and requested both events to park as efficiently as possible. We are hoping for good attendance on both and all will work to manage parking.
- Ronnie Motes requested the Club revisit a better area for patterning shotguns and spring loaded hand thrower for clay targets. After discussion it was agreed to see what options might be available.

There being no additional business a motion to adjourn was made by David Pledger. The motion was seconded by Johnny Nutter and the motion carried.
